

# WE'RE ON THE LOOK OUT FOR FREELANCE TEAM PLAYERS

Join our dynamic team in bright contemporary offices in the heart of Abingdon, near Oxford. ON Communication is a specialist full service agency that assists corporate clients with both internal and external communications. Our approach combines audience insight, strategic planning and creative ideas with practical no-fuss implementation. The result is powerful communication delivered across all media.

## TOP FLIGHT FREELANCERS

We're always on the lookout for highly motivated, well quality freelancers in relevant creative or technical disciplines, especially as so much top talent seems to be based in the Oxford area. But where you live shouldn't stop you from contacting us. If you have something to offer and you haven't contacted us before, we would definitely like to hear from you. Please write to ON giving reasons for interest and current salary, day rate, and an extremely detailed CV mentioning assignments, production company, agency experience (if relevant), specific roles and dates.

We are particularly interested to hear from experienced:

- graphic designers
- graphic designers with corporate identity development
- artworkers
- digital media and website designers - developers
- technical and non technical copywriters - editors
- technical and non technical proof-readers
- final cut pro editors (offline/online - Xsan suites)
- science, technology and environment documentary writer-directors
- geosciences and energy sector documentary writer-directors
- media project managers
- business events directors
- business events project managers
- documentary lighting camerapersons
- documentary sound recordists
- Must be based locally: native speakers with professional qualifications, for foreign language work in French, Norwegian, Colombian, Chinese Mandarin, Bahasa Indonesian, Egyptian Arabic, Angolan Portuguese and Russian

Please apply with a handwritten letter, expressing your reasons for interest and fee expectations, to

**MARTINE BENOIT, MANAGING DIRECTOR**

**ON COMMUNICATION, THE MEDIA LAB, 5 EAST ST HELEN STREET, ABINGDON, OXFORD OX14 5EG**
